Guy reported that he has received no concerns from the Nottoway residents regarding the HOA. Guy has asked that if anyone has any concerns to please contact him.

Rick Cruise had the following concerns for the HOA:

He asked if we could have the HOA cut the hedges at the entrance to Nottoway even more than they have already been cut. Guy will look into this.

Rick also suggested that we ask the HOA if decorations at the entrances for Armed Forces Day could be left up for Memorial Day instead of taking them down for a few days and then having to reinstall.

Rick also asked if Guy had any update on the availability of storage facilities for each of the Plantation villages. Glen Miller reported that it is on the agenda of the HOA.

Guy reminded the residents of the upcoming services to be held on Memorial Day at Memorial Park at 11:00 a.m. Two veterans will be speaking.

Guy reminded us of the speed limits for the Plantation and for Nottoway and reminded us to inform our guests of our rules regarding cars and golf carts.

There being no further business from Guy, he asked for the Social Reports.
