

The annual testing of your water back flow prevention device, required by the City of Leesburg, is due soon. Bob Frye is going to start testing the back flows in Nottoway the week of **September 6**. Bob is a resident of Belle Terre, and he did our testing last year.

Bob's fee is **\$16.00**, check (made out to Robert Frye) or cash. You do not have to use Bob for this service, but his fee is a bargain. You do not have to be home during the inspection; Bob's report will be left at your door showing if the back flow test was a Pass or Fail. He also sends a copy of the report to the City.

There will be a cooler at the McGrail's house, **24536 Madewood**, where you can place an envelope with cash or check; please put your name and address on the envelope and drop it off by Sunday, September 5.

## Upcoming Calendar

<b>Wine Tasting</b> <b>Tuesday, September 14</b>	This month's wine tasting will be at the McGrail's house, <b>24536 Madewood</b> , on Tuesday, September 14.
